To: Office of the Secretary

Attn: Assistant Chief, Audio Division
Media Bureau**MOTION FOR EXTENSION OF TIME**

Dreamcatcher Communications, Inc. ("Dreamcatcher"), licensee of Radio Station WRAC(FM), West Union, Ohio, by its counsel, hereby requests an extension of time in which to file with the Commission a minor change application for a construction permit, specifying operation on Channel 276A at Georgetown, Ohio (the "Application"). By e-mail communication dated January 11, 2006, the FCC staff last extended the Application filing deadline to February 10, 2006.

Dreamcatcher needs additional time to finalize its tower site plan and to prepare the Application. Dreamcatcher is working with various parties to effectuate the WRAC(FM) minor change and has determined that the tower site originally proposed in the above-captioned proceeding will not provide the most optimal coverage for WRAC(FM). Dreamcatcher has been working to identify alternative and more optimal locations for its tower and has recently narrowed its search results to two locations. Dreamcatcher has reasonable assurances that each

tower site will be available for WRAC(FM)'s broadcast facility. Dreamcatcher's is currently reviewing both sites and needs an additional 30 days to finalize its site selection and complete its engineering studies for the Application.

Therefore, for good cause shown, Dreamcatcher respectfully requests that the Commission grant an extension of time until March 13, 2006, in which to file the Application.

Respectfully submitted,

DREAMCATCHER COMMUNICATIONS, INC.
